Education

Islamic University of Technology

Aug 2022-Sept 2026

BSc. In Electrical and Electronic Engineering. CGPA: 3.89 (Top 10 Percentile)

Notre Dame College

December 2021

Higher Secondary School Certificate Examination. GPA:5.00

Ideal School and College

February 2019

Secondary School Certificate Examination. GPA: 5.00

Academic Projects

- **Adaptive Fan Control System** | *Proteus, Arduino*
- **Induction Motor Starter & Protection System** | *Hardware Design & Implementation*
- **Home Automation and Monitoring System** | *Proteus, Arduino*
- **DC Motor Speed Control** | *Proteus, Arduino*
- **Enhancement of Battery-Powered Rickshaw** | *Arduino, Tinkercad*
- **SAP-1 (Simple-As-Possible) Computer Architecture Design** | *Proteus*
- **Low-Power CMOS AI Circuit Design for Biodegradable Smart Food Packaging** | *Microwind, Cadence*

Experience

Grameenphone – Campus Lead

2025-2026

- Served as the primary liaison between Grameenphone and the university, coordinating 2 campus engagement events and collaborating with 2-3 corporate departments to strengthen brand presence.
- Organized a campus roadshow with 200+ participants in collaboration with the IUT Career and Business Society (IUTCBS), coordinating 60+ stakeholders and volunteers to ensure seamless execution.
- Supported the execution of FutureMakers, Grameenphone's flagship AI-powered idea competition, by managing 10 participating teams during the Pitch Deck Round and facilitating smooth event operations.
- Strengthened leadership, communication, and stakeholder management skills through cross-functional collaboration with Grameenphone professionals and structured professional development sessions.

IUT Career and Business Society - Vice President (Logistics)

2025-2026

- Directed logistics strategy and execution for 7+ flagship events, each attracting 300-500 attendees, including NeoTalk, Case Bites, OIC Day, BizNation, and Career Expo.
- Led a 50-member logistics team, overseeing operational planning and managing event budgets ranging from BDT 2-8 lakh to ensure efficient and timely execution.
- Negotiated and coordinated with 4-5 vendors and sponsors per event while partnering with cross-functional teams and corporate stakeholders to deliver high-impact events.
- Advanced through successive leadership roles from General Member (2022) to Vice President (Logistics), reflecting sustained excellence in leadership, operations, and organisational management sessions.

IEEE IUT Student Branch - Joint Secretary (Operations)

2025-2026

- Promoted from Associate Executive Committee Member to Assistant Secretary and Joint Secretary (Operations).
- Organized intra- and inter-university events, including EEE Day with 500+ participants.
- Led the Business Competition segment of EEE Day from planning to execution.
- Organized EEE Insights, Machine Learning workshops, and other professional development events.
- Collaborated with corporate partners and managed volunteers for successful event execution.

Industrial Attachments

2025

- **Ghorashal Power Plant** — Observed power generation processes and plant-level equipment operation and maintenance practices.
- **Atomic Energy Research Establishment (BAEC)** — Gained exposure to nuclear research facility operations and technical safety protocols.
- **Walton Hi-Tech Industries** — Observed manufacturing production lines, quality control processes, and shop floor workflow management.
- **Robi Axiata Ltd.** — Learned about telecommunications infrastructure and network operations management.

Activities

SHEstem Presents EngiBiz-by MIST Career Club- Second Runner-Up

2025

The Daily Star x Action Aid: Climate Justice Idea Competition - Champion

2023

The Boys' Garage — Co-Founder

2023-2024

- Co-founded an 8-member food startup specialising in pasta and waffles.
- Expanded the startup's brand by growing its Facebook community to 700+ followers and operating stalls at two major international concerts at the International Convention City Bashundhara, strengthening customer reach and event presence.

IUT EEE CRICKET TEAM - Player

2022-2024

- Played three inter-department cricket tournaments at IUT

7th National Cultural Jubilation – Notre Dame Cultural Club - President

2022

Skills and Interests

Technical: Microsoft Office (Word, Excel, PowerPoint) - *Proficient*; Google Workspace - *Proficient*; Canva - *Proficient*

Laboratory & Engineering Software: MATLAB, PSpice, Proteus, PSAF, AutoCAD, PowerWorld, NYUSIM, Ansoft (*Intermediate*); Python, C, Assembly Language, Machine Learning (*Basic*)

Languages: English - *Full Professional Proficiency*; Bangla - *Native Language*

Soft Skills: Communication, Management, Leadership, Problem-Solving, Collaboration, Adaptability

Interests: Music, Sports, Cars.
